A MESSAGE FROM K-1

My Marvellous Mum..... This has been the topic of many a conversation in K-1 this week. Whether it be because she gives the best hugs and kisses, makes us feel better when we are sick, lets us visit our Nan or because she is our best friend, we have decided that we have the most MARVELLOUS Mums in the world. We cannot wait to celebrate and give thanks to the wonderful mothers in our lives this Sunday.

It was great to see all the homework that came back on Friday! Well done and thank you for your efforts.

K-1 has been working hard with recognising words, letters and numbers this week. I would like to take this opportunity to congratulate Jack, from year 1, and Louise and Heidi, from kindergarten, for winning our number and letter recognition competition this week. I had a very hard job, all of the children tried so hard with this activity!

We have also started to learn about precious gems, and yes, our mothers are very precious gems, but we have been focussing on rocks and what is under our feet. We got to pass around some different rocks and discussed their similarities and differences. The children all thought they were amazing, although, some of them had a very weird smell!

I would also like to take this opportunity to thank the mothers who came in to help with our RATs program last term. It was greatly appreciated and it really does make a difference with children’s reading ability. If you would like to be a part of this program this term come in and let me know. 😊

On behalf of K-1 I would like to wish all our mothers a very Happy Mother’s Day and an enjoyable term 2.

Miss Kimberly Newling
